

Grimburg Custom FSC Concealed

First Strike FSC Paintball Gun - \$299.95

The most powerful and most compact paintball gun currently in production.

Necessary Upgrades

First Strike FSC Rifled Barrel .686 - \$99.95

This rifled barrel increases accuracy and power. It is bore matched with the Grimburg HP68 Projectile (0.684).

First Strike T8.1 Magazine - \$19.95

This 8 round magazine upgrade is from the FSC's predecessors.. It allows you to use the more common 12 gram Co2 cylinder, instead of the stock 6 round, FSC which uses an 8 gram cylinder. This results in a higher sustained power of 260 FPS across all 8 shots. 24.4 Joules / 18 Ft-Lbs.

Subtotal w/Tax & Shipping: \$442.95

Milsig HEAT CORE Valve Stem O-Rings (Pack of 3) - \$11.19

Stronger than stock O-Rings. Allows you to turn the power up.
